WHAT'S COMING UP AT PFC

OCT 7th..GRANDSONS OF THE PIONEERS

Having all come from a background of playing in bands for a combined total of about 160 years, the "Grandsons" came together initially to have a social pick together on weekends, enjoying playing and singing songs with a lean towards "country" and in particular, traditional Western Cowboy music. They eventually built up a repertoire of songs which featured four part harmony vocals accompanied by acoustic guitars. Leo suggested recording the songs in his home studio which result in the product this cd. So sit back, relax, go back in time and enjoy the harmonious singing and picking of "The Grandsons of The Pioneers".

PETER PAUL AND MARY THEME For our October Club Night, we have decided to revive the old idea of having a Theme for Spot Acts. So we will be asking all our Spot Acts to play at least ONE song recorded by the legendary folk trio, Peter Paul and Mary

WORKSHOP.. In line with the theme for the night, new Committee member Steve Begley will lead a guitar workshop in which participants will learn two instrumental parts which make up the great PP & M song "a-Soaling. Hopefully, they will play it for us to start the night

Following the overwhelming success of the Hat Band Night last year, it will be on again in November!! The aim is in order to get more folk on

**DRAWING THE RAFFLE
DA PRES AND DA TREASURER**

Mountaingrass is the official festival of the Australian Bluegrass and Old Time Music Association of Australia (ABOTMA) held annually in November. In 2018 the festival will move from Harrierville, Victoria, and be held for the first time at the George Kerferd Hotel, in the Mayday Hills complex at Beechworth, Victoria, running from **November 9-11, 2018**. Mountaingrass

is a specialist event focusing on two forms of Americana music: bluegrass and Appalachian Old-Time music. The festival presents performances of bluegrass and traditional (American) old-time music from acts from the United States, New Zealand, most states in Australia, and in some years other countries including Japan. It also features both bluegrass and old time music slow jams, a fully acoustic concert, a blackboard gospel concert on Sunday morning, an instrument makers display (and sales), and lots of opportunities for all attendees, to share with each other through jamming and picking sessions. Mountaingrass is organised by the Australasian Bluegrass and Old Time Music Association (ABOTMA), a not-for-profit organisation dedicated to the promotion of bluegrass and American old-time music in Australia. The festival is organised by volunteers primarily for members of ABOTMA and lovers of bluegrass and old time music
