## OCT 7th..GRANDSONS OF THE PIONEERS

Having all come from a background of playing in bands for a combined total of about 160 years, the "Grandsons" came together initially to have a social pick together on weekends, enjoying playing and singing songs with a lean towards "country" and in particular, traditional Western Cowboy musc. They eventually built up a repertoire of songs which featured four part harmony vocals accompanied by acoustic guitars. Leo suggested recording the songs in his home studio which result in the product this cd. So sit back, relax, go back in time and enjoy the harmonious singing and picking of "The Grandsons of The Pioneers".

## 2019 GIRGARRE MOOSIC MUSTER Jan 10th to 13th

Many of you will have heard about the special bond that exists between Peninsula Folk Club and the little town of

Girgarre. The "Usual Suspects from PFC" make their annual trek to Girgarre every January, and would love to have you join them this time. We have to say that this is the friendliest little festival we know of!! Why not make 2019 the year that you come to find out what all the fuss is about? Any questions? Ask Max or any of the committee. It's more than a decade since our now-renowned event began as a couple of musicians playing on hay bales at the early Girgarre farmers' markets. It now attracts more than 1500 music lovers and top-level musicians from city and country, making us a major fixture on the acoustic festival circuit in Victoria.
