CHRISTMAS PARTY

SUNDAY 6th DEC @ 12 NOON

FINALLY, SOME GOOD NEWS!

We are pleased to advise that we will be able to get together (at long last) instead of peering at each other on little screens... but in the flesh! (let's not get too carried away with that thought!)

The Bowls Club are excited to have us back at their premises and will be doing all they can to make us feel welcome (and Covid Safely distanced)

There will be limits on the numbers allowed in each space. It will kick off at 12 Noon and the festivities will roll on all afternoon.

Lunch will be provided.. To avoid using the kitchen etc, we will be buying in gourmet pizzas (inc Vegetarian and gluten-free) and a choice of sweets There won't be an entrance fee, but there will be a charge of \$10 per head as it is being catered.

As always, drinks will be available at the bar (No BYO as it is a licenced venue)

There will be lots of opportunity to join the various informal jam sessions during the day. Bring your instruments and voices and participate.

Just a little reminder...(it has been a long time) we need to make these sessions player-friendly. For the sake of the beginners/learners, please KEEP IT SIMPLE. Simple chords . If you've just learned a new piece with lots of strange chords (augmented/demented..) save it for another day!

RAFFLE Oh.. and there will be a raffle (wouldn't be a real PFC event without it) It will go to a worthy cause (TBA) so come with lots of coin!!

LockSmith

LockSmith is Neesy Smith (Aust) and Andrew Lockwood (UK) both singer songwriters who perform each others songs and those from other writers. Their vocal styles and arrangements are driven by Andrew's guitar and Neesy's hand percussion.

Neesy, a Melbourne Hills based musician of 35 years, has been involved in nurturing and assisting 'up and coming' artists and supporting fellow musicians on her long standing radio show 'Now and Then' on radio 3MDR. 97.1 fm.

Her husky soulful vocals have taken her to the stage with Kate Ceberano and put her in bands with musicians from Men at Work, Goanna and others; and taken her to major Festivals and a US Tour in 2010

Andrew is a UK based travelling journeyman, sharing and celebrating the healing joy of music. His intimate and sensitive lyrics are drawn over a guitar and vocal canvas.

Andrew's evolving musical journey includes performances at various venues, folk clubs, folk festivals and house concerts in New Zealand, Australia and the UK, alongside his volunteering support on the festival circuit.
